What's Different About Riverstone Book Fairs?

We're glad you asked! Book fairs are a time-honored tradition in school fund-raising! We strive to provide a customer focused experience that always includes:

- Ample quantities of the highest quality books from **all** major publishers with a diverse book selection customized to your group's needs. If we run out of a popular title, we'll get it for your students & deliver it to the school!
- Quality non-book items, featuring Ooly art supplies, Blue-Orange games, Eeboo craft kits, puzzles and games, Jelly Cat cuddlies, and Crazy Aaron's putty.
- Free delivery, set up, and tear down. We do tabletop displays - you supply the tables, and we bring linens, book stands, and category signs. We are happy to work within your hours.
- We'll **HELP!** Riverstone brings along friendly knowledgeable staff to work the book fair and ring up sales, lightening the load of your staff and volunteers.
- Teacher & Librarian online registries are the easiest way for teachers to let families know what books they would love to add to their collections. **Riverstone** will provide an online shopping link for your school.
- Choosing **Riverstone** for your Book Fair not only provides your school or organization with the best selection of books and exceptional customer service, but it directly supports a locally owned independent bookstore in your community!
- **Interested?** Reach out to Miss Robin and we'll get a contract to you with all of the details
